Dear Mr. Cartlidge:

This letter is in response to your January 31, 2013, notification of a name change for the Ascend Performance Materials Operations LLC Chocolate Bayou facility to Ascend Performance Materials Texas, Inc. The Agency has reviewed the legal documentation of this name change received February 12, 2013, and agrees this change does not affect the original technical petition reissuance demonstrations and is a nonsubstantive revision. Therefore, the Agency has modified its files to reflect the name change mentioned above. The petition reissuance approval conditions included in EPA Region 6's December 4, 2007, final approval letters for WDW-13 and WDW-318 and the July 28, 2008, final approval letter for WDW-224 & WDW-326, are still in effect. If you have any questions or comments, please call Philip Dellinger at (214) 665-8324.

Sincerely yours,
